屹腾对产品品质秉持着没有最好只有更好的经营理念,生产全部采用高品质CNC的数控加工中心设备,原材料供应商选择国内知名品牌钢厂,所有产品均按照ISO、IDF、DIN、ASME-BPE、SMS和3A工业标准制造,严格检测、精细完善,质量完全达到GMP要求。产品广泛应用于生物制药、啤酒、葡萄酒、白酒、乳制品、食品、饮料、冰淇淋、化妆品及化学等领域。

与出色的产品配合市场的,是同样出色的售后服务和同样有竞争力的销售价格。屹腾已渐渐成长为具有行业领先的有力竞争者。

Yiteng adheres to the business philosophy of "no best but better" for product quality. All products are produced using high-quality CNC machining center equipment, and raw material suppliers choose well-known domestic brand steel mills. All products are manufactured according to ISO, IDF, DIN, ASME-BPE, SMS, and 3A industrial standards, with strict testing, precision improvement, and quality fully meeting GMP requirements. The products are widely used in biological pharmacy, beer, wine, spirit, dairy products, food, beverage, ice cream, cosmetics, chemistry and other fields.

What matches the market with excellent products is equally excellent after-sales service and competitive sales prices. Yiteng has gradually grown into a leading competitor in the industry.
